PREMIUM 2 STOREY TRANSPORTABLE VENUE

If you want to impress, make a statement or just want the best seats in the house, then this Premium 2 storey transportable venue is for you!

It's in a league of its own. Within a few short hours of arrival at a location of your choice, this trailer unit transforms into an impressive 2 storey building that you would swear was sitting on a slab and took months to build. Then a few hours after your finished, it's gone as if it was never there at all, leaving those who saw it, wondering how it all happened.

Imagine choosing where to put your 2 storey building then having the ability to move it to another location in a few hours. Its uses are practically unlimited. Now that's special!
