making your event great!

1

BLANK CANVAS MARQUEE

We are able to start with a sketch, an idea or even a request where we are told "You come up with something".

From there our job is to ask the right questions to help create your perfect venue.

2

CUSTOM DESIGN CREATED WITH THE CLIENT

Once we've understood the brief, we'll draw it up, confirm we have it right, get your feedback, make any alterations and with the final 'go ahead' we are ready to create your own customised venue.

3

COMPLETE BRANDED MARQUEE

This is where it all comes to reality. You have your own customised venue to use as many times and in as many places as you desire.

We'll deliver, install, dismantle and store like any other marquee, the difference is it's customised for you.

Our job is to create your venue where ever you want and whenever you want!

4

INTERIOR FITOUT TO SUIT CLIENT REQUIREMENTS

The venue itself is not complete without the fit out. We can provide anything from a simple layout through to fully integrated flooring, wall panelling, ceiling linings, lights, fixtures and fitting.

The options are endless, the decision is yours.
